

180-Day Graduate Follow-Up Report
Class of 2012-2013
AAS, AS and CT Completers

Prepared by:

Casey Owens, Career Services Coordinator
April, 2014

Table of Contents

Follow-Up Category Definitions	3
Follow-Up Summary.....	4
Accounting	5
Advanced Manufacturing Technology	6
Alternative Energy.....	7
Automotive Technology.....	8
Business Management.....	9
Computer Networking	10
Construction.....	11
Diesel Technology	12
Drafting and Design	13
Electric Arc Welding.....	14
Fire Science.....	15
Healthcare Specialist	16
Health Information Technology	17
Medical Coding	18
Nursing	19
Office Administration	20
Paramedical Science	21
Pharmacy Technician.....	22
Transport Training.....	23
Veterinary Technology	24

Follow-Up Category Definitions

- **Employed Related** – Employed in a field or closely related field to their degree/certificate area
- **Continuing Education** – Continuing education at an accredited college or university
- **Employed Related and Continuing Education** – Employed in a related field and continuing education at an accredited college or university
- **Military** – Employed in the military
- **Employed Non-Related** – Employed in a field not related to their degree/certificate
- **Not Employed** – Unemployed
- **Not Available** – Known to be unavailable for placement. Possible reasons include illness, disability, death or incarceration
- **Status Unknown** – Unable to be located
- **Total Related Placement** – Includes students who are employed related, continuing education and employed related and continuing education
